Josh Parslow Joins Sinterite as Sales Engineer

Sinterite, a Gasbarre Furnace Group company, is pleased to announce the hiring of Josh Parslow as Sales Engineer. Since earning his Bachelor of Science Degree from the University of Pittsburgh-Bradford, Josh has worked in the powder metal industry, gaining knowledge and real world experience at all levels of the manufacturing process. His working knowledge of lean manufacturing and process improvement has afforded Josh useful insights to serve Sinterite's growing customer base. Sinterite is proud to welcome Josh to the team.

Sinterite designs, manufactures and services custom continuous belt and batch furnaces for sintering, brazing, annealing, steam treating, drying and heat treating applications. Sinterite's quality design includes alloy and ceramic muffles, powder-handling equipment, custom fabrications, and the exclusively-manufactured HyperCooler, sinter-hardening system. Sinterite is located in St. Marys, Pennsylvania.

###

For more information on how Sinterite can provide custom-engineered solutions for your specific thermal heating requirements and manufactured heat treating equipment, contact Josh Parslow at (814) 771-7109 or jparslow@gasbarre.com. You can also visit our websites at www.Sinterite.com and www.GasbarreFurnaceGroup.com for additional information.

Release Date: July 27, 2015
